

## The NHS Friends and Family Test February 2017 Results

How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

	<b>Percentage</b>
Extremely Likely	<b>91%</b>
Likely	<b>9%</b>
Neither Likely or Unlikely	<b>0</b>
Unlikely	<b>0</b>
Extremely Unlikely	<b>0</b>
Don't Know	<b>0</b>

“Always helpful. Don’t feel rushed when in consultation. Like the text reminders of appointments.”

“Professional and thorough service, very knowledgeable.”

“I have always found all doctors to be helpful and the surgery location is great with easy parking.”

“Very efficient practice. Friendly people.”
